## Neighbors who help neighbors.

When you or someone you know comes to Mon Valley Initiative for help, they're not talking to strangers. They're talking to their neighbors. Our staff, board members and volunteers live in the communities which we serve. We're invested in them. We understand them.

So whether it's buying a home, finding a job, learning computer skills, getting financial coaching or working on community issues, count on us—not as an agency, but as a neighbor.

# Mon Valley Providers Council Welcome Letter

March 2020

For the past 32 years, the Mon Valley Providers Council (MVPC) has been working to provide services and meet needs in the communities that comprise the Mon Valley region. The work of the MVPC is accomplished by the collaboration of dues paying members on four Working Groups which each focus on an issue relevant to the Mon Valley including: employment and training, health, housing, and youth. For 2020, the Steering Committee and members are identifying the core priorities we will work to accomplish to fill the gaps in services for people in the Mon Valley.

This MVPC Membership Directory continues to serve as an informational resource available to staff and consumers, as well as a marketing tool for member agencies. The MVPC Membership Directory will be available in print and on our website, www.hscc-mvpc.org, to allow for the greatest circulation to member agencies, local businesses, and community residents.

Of course, this directory would not be possible without the support of our advertisers and members. Furthermore, we express our appreciation to our HSCC/MVPC team for all of their efforts in producing the final edition. Should you have any questions regarding the Mon Valley Providers Council or any of its projects, please do not hesitate to contact us at (412) 829-7112.

Sincerely,

*Dave*

# Mon Valley Providers Council Steering Committee

The Steering Committee's major responsibilities are to provide guidance and oversight to the activities of the MVPC and the Working Groups. The Steering Committee ensures quality programming for consumers, in addition to valuable benefits to the member agencies. It provides responsive leadership to the unique and changing needs of the Mon Valley and its service community.

# Membership Drive

The Mon Valley Providers Council implemented formal membership in 1995. Ever since, the role of formal membership has expanded to a more meaningful sense of investment in and ownership of the MVPC.

Each year, the Membership Drive begins at the MVPC's Annual Meeting in late October/early November and formally ends the first week in January. Membership dues are based on the agency's budget. Recognizing the extensive service area of several of our members, individual programs of larger, county-wide agencies may join on the specific program's annual budget. Interested agencies should contact the MVPC at 412-829-7112 to obtain an application or for more information.

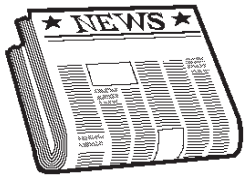
# Mon Valley Providers Council 2019 Outcomes

- In September, the MVPC hosted a **Community Connections Resource Fair** with CCAC South Campus. Student and community members connected with 30 agencies offering services like SNAP application assistance, mentoring programs, employment training programs, housing assistance, and various health access organizations. Additionally, 19 attendees registered to vote, 3 enrolled in a financial literacy program, and 5 received free and confidential STI testing from Allies for Health + Wellbeing's new mobile testing van.
- Also in September, the Working Group on Housing hosted a **Landlord Summit** to connect landlords with resources available throughout the county. The landlords learned about lead remediation, how to handle infestations, and rules for smoke detectors. They also heard from a local magistrate about tenant-landlord relationships, and from the Department of Human Services about a program to connect DHS clients to fill open housing units.
- In October, the Working Groups on Health and Youth co-hosted **Medical Marijuana in the Mon Valley**. Providers heard from the PA Medical Marijuana Education Center about what medical marijuana is, how clients can qualify for a prescription, and how to connect clients to medical marijuana resources. Providers also heard from a researcher at the University of Pittsburgh about the health risks of vaping, how marketing has been targeting youth, and how to talk with youth about their vaping usage.
- Working Group members also connected with local high school students through a **financial literacy training program and career exploration event.**
- During our 2019 **Voter Engagement Campaign**, 19 individuals registered to vote.
- Over 20 individuals attended our **Voter Celebration Breakfast** on November 6, 2019 following the midterm election.
- Over 110 representatives of MVPC members attended the **Annual Breakfast Meeting** for special presentations on the 2020 Census and ioby Pittsburgh, an entity that organizes crowdfunding efforts in communities.
- Approximately 40 decision makers provided leadership at the **MVPC Synergies Forum** to Review 2019 Priorities. All of these priorities have either been completed or are being worked on by the Working Groups.
- Three local school districts participated in **Mad City Money**, a financial literacy simulation for high school students.
- A total of 34 **free flu shots** were provided to residents in the Mon Valley in partnership with Eastern Area Prehospital Services.



## Check out the Communicator!

- ***The Communicator*** appears as an insert in the *Valley Mirror*, which reaches a readership of over 6,000 people and is available on our website: hscc-mvpc.org.
- Member agencies have the opportunity to submit articles to this publication, broadcasting much needed services to all of Southwestern Pennsylvania.
- ***The Communicator*** appears in January and July editions.

We're proud of our community.
And proud of those we share it with.

UPMC McKeesport is proud to support the Mon Valley Providers Council and applaud their commitment to the Mon Valley communities.
