MVPC WELCOME LETTER

February 2024

For the past 36 years, the Mon Valley Providers Council (MVPC) has been working to provide services and meet the needs of the communities that comprise the Mon Valley region. The work of the MVPC is accomplished by the collaboration of dues-paying members on three Working Groups which each focus on an issue relevant to the Mon Valley including: Employment and Training, Health, and Housing. For 2024, the Steering Committee and members identified the core priorities we will work to accomplish to fill the gaps in services for people in the Mon Valley. These priorities include: utilizing community-level Census data to create a profile of the needs in the Mon Valley to distribute to providers; providing networking opportunities between MVPC members to improve member knowledge regarding resources available at member agencies; implementing a process to determine cross-training opportunities for MVPC members to identify useful skills and implement inter-group training sessions; and conducting at least one poverty simulation for a Mon Valley School District or organization.

This MVPC Membership Directory continues to serve as an informational resource available to staff and consumers, as well as a marketing tool for member agencies. The MVPC Membership Directory will be available on our website, www.hscmonvalley.org, to allow for the greatest circulation to member agencies, local businesses, and community residents.

Of course, this directory would not be possible without the support of our advertisers and members. Furthermore, we express our appreciation to our HSCMV/MVPC team (particularly Annie Rummell) for all of their efforts in producing the final edition. Should you have any questions regarding the Mon Valley Providers Council or any of its projects, please do not hesitate to contact us at 412-829-7112 or 412-436-9537.

Sincerely,
Dave Coplan

MEMBERSHIP DRIVE

The Mon Valley Providers Council implemented formal membership in 1995. Ever since, the role of formal membership has expanded to a more meaningful sense of investment in and ownership of the MVPC.

Each year, the Membership Drive begins at the MVPC's Annual Meeting in early November and formally ends the first week in January. Membership dues are based on the agency's budget. Recognizing the extensive service area of several of our members, individual programs of larger, county-wide agencies may join on the specific program's annual budget. Interested agencies should contact the MVPC at 412-829-7112 or 412-436-9537 to obtain an application or for more information.

MVPC ONGOING MEETING INFORMATION

The MVPC currently holds monthly membership meetings via Zoom. The Working Groups on Employment and Training and Housing hold breakout sessions following the main session. The Working Group on Health holds separate monthly hybrid meetings.
